No one can tell me  
What to do or say  
No one can tell me  
How my music's to play  
No one can tell me  
How to play my own games  
When to say it might be down  
But I don't care I'll do it anyway

Bridge:  
If that's how the game's to play  
We'll play right here  
We'll play it right

Chorus:  
Don't you tell me what to do  
I do everything my own ways  
Now I'm free  
Yeah that's all right  
Cause that's okay  
I don't need your river  
I've got my own to cry

Don't come to my doorstep  
I don't need your sympathy  
You can cry now  
You can beg and plead  
But honey  
I've got my own things to do  
It's not wanted here  
I don't need it now

Bridge

Chorus

Hook:  
I don't need your rivers  
I don't want your love  
I can do fine without it  
I don't need your rivers  
I don't want your love

I can do fine by myself  
I don't need your rivers  
I don't want your love

Chorus x2
