I never meant to break you
I never meant IÂ´d be this cruel
ItÂ´'s close to midnight
The club is loaded tight
IÂ´m moving with the crowd
At the speed of light
I feel your touch
Possessing me
The sound around
Slowly disappear
Can you wait boy?
Be a girlÂ´'s toy?
No, no I wonÂ´'t shed a tear
Stop, Stop! No use
You can only abuse
Turn around now
YouÂ´'re getting me confused
Get down, on the dancefloor, now!
I got Mcqueens on tight
Cuz it feels right!
Lick my lips in your sight
Cuz it feels right!
Body bends hit the club lights
Touching me is so right
Begging for a dance, begging for a dance
Make it hot for me, make it hot for me
Just make it hot for me
Make it hot for me, make it hot for me
Just make it hot for me
You came in desperation
Seeking my attention
You ainÂ´'t Shakespeare
Please, persevere
DonÂ´'t stop! Oh oh youÂ´'re sinking here

We might do it every night
(Â´Til the dayÂ´s relieved)
WeÂ´ll go out in a dive
Be a bad boy, on the dancefloor
Stop, Stop! No use
You can only abuse
Turn around now
YouÂ´re getting me confused
Take a few shots
Sow what youÂ´ve got
LetÂ´s disappear
LetÂ´s get out of here
I got Mcqueens on tight
Cuz it feels right!
Lick my lips in your sight
Cuz it feels right!
Body bends hit the club lights
Touching me is so right
Begging for a dance, begging for a dance
Make it hot for me, make it hot for me
Just make it hot for me
Make it hot for me, make it hot for me
Just make it hot for me
Pop pop pop
Hair hair done right
Gold lemonade
Colour shameless eyes
Temptress hands up
Naughty on the inside
Hold me closer
IÂ´ll show you how
To dance right
Pop pop pop
Hair hair done right
Gold lemonade
Colour shameless eyes
Temptress hands up
Naughty on the inside
Hold me closer
IÂ´ll show you how
To dance right
I got Mcqueens on tight
Cuz it feels right!

Lick my lips in your sight
Cuz it feels right!
Body bends hit the club lights
Touching me is so right
Begging for a dance, begging for a dance
Make it hot for me, make it hot for me
Just make it hot for me
Make it hot for me, make it hot for me
Just make it hot for me
Make it hot for me, make it hot for me
Just make it hot for me
Make it hot for me, make it hot for me
Just make it hot for me
