I got a broken face  
I got a  
I got a broken face  
Uh-hu, uh-hu, uh-hu, uh-hu, ooo  
I got a broken face (3x)

There was this boy who had two  
Children with his sisters  
They were his daughters  
They were his favourite lovers

I got no lips, I got no tongue  
Whatever I say is only spit  
I got no lips, I got no tongue

I got a broken face, uh-hu, uh-hu  
I got a broken face

There was this man who snapped his poke  
In little pieces  
And then they drilled holes  
And then they put 'em back in there

I got no lips, I got no tongue  
Whatever I say is only spit  
I got no lips, I got no tongue

I got a broken face  
Uh-hu, uh-hu, uh-hu, uh-hu, ooo  
I got a broken face

The little thing who loves my mother  
Speaks no English  
But if you saw her  
You'd say "Hey isn't she lovely"

I got no lips, I got no tongue  
Whatever I say is only spit  
I got no lips, I got no tongue
