And there ain't no night  
And there ain't no night  
Did you hear what I said?  
But into white

Into white  
Into white  
Into white

And there ain't no day  
And there ain't no day  
And there ain't no night  
And there ain't no night  
And there ain't no day  
And there ain't no night

Into the white  
Into the white  
Into the white

Did you hear what I said?  
Did you hear what I said?  
Deeper than your sleepy head  
Deeper than your sleepy head  
Ain't nothin' to see  
Ain't nothin' in sight

Into the white  
Into the white  
Into the white

Go and you'll go real far  
Go and you'll go real far  
Just pass the big quasar  
Just pass the big quasar  
Can't hitch a meteorite  
Can't hitch a meteorite

Into the white  
Into the white  
Into the white
