"Lovely Day"

At the station, at the border
An egression to the exterior
Law and order
Upward plantation

I remember your red dress
Like a field full of poppy
It was making me dreamy
Stunned by a love got to do
What your head says
Could not let it stop me

They got one leaving today
They got one leaving today
They got one leaving today
And it's going away

They got one leaving today
They got one leaving today
They got one leaving today
And it's going away

Got my feet in the stirrup
It can be kind of banal
But I dream of your red dress
Riding down these dry canals
Oh baby, it's not Europe

But I'm sending you money
I'm sending you lots of money
So you can buy a ticket
You will be my Martian honey all the day

They got one leaving today
They got one leaving today
They got one leaving today
And it's going away

They got one leaving today
They got one leaving today
They got one leaving today
And it's going away
