Hope everything is alright
Whats that floatin in the water
Old Neptuna's only daughter.
I believe... in Mr.Grieves
Pray for a man in the middle
One that talks like doolittle
I believe... in Mr.Grieves
Do you have another opinion?
Do you have another opinion?

La la la la
La la la la
La la la la
La la la la

Got bombed got frozen
Got finally off to finally dozing
I believe... in Mr.Grieves
Do you have another opinion?
Opinion
Do you have another opinion?
Do you have another opinion?

You can cry you can moan
But can you swing from a good rope.
Oh I... believe
In Mr.Grieves
Hope everything is alright
Hope everything is alright
