you whore,  
you whore,  
you whore,

there goes my gun,  
(goes my gun)  
there goes my gun,  
there goes my gun,  
(goes my gun)  
there goes my gun,

look at me,  
look at me,  
look at me,

there goes my gun,  
(goes my gun)  
there goes my gun,  
there goes my gun,  
(goes my gun)  
there goes my gun,

friend a foe,  
friend a foe,  
friend a foe,  
friend a foe,

there goes my gun,  
(goes my gun)  
there goes my gun,  
there goes my gun,  
(goes my gun)  
there goes my gun,
