"Touch of my hand"

I'm not ashamed of the things that I dream.
I've found myself flirting with the verge of obscene.
Into the unknown, I will be bold.
I'm going to places I can be out of control.

And I don't want to explain tonight all the things I tried
to hide.

I shut myself out from the world so I can draw the
blinds
And I'll teach myself to fly.

I love myself. It's not a sin.
I can't control what's happenin'.

'Cause I just discovered
Imagination's taken over.
Another day without a lover,
The more I come to understand the touch of my hand.

The small of my back,
The arch of my feet;
Lately I've been noticing the beautiful me.
I'm all in my skin and I'm not gonna wait.
I'm into myself in a most precious way.

'Cause I just discovered
Imagination's taken over.
Another day without a lover,
The more I come to understand the touch of my hand.

And I don't want to explain tonight all the things I tried
to hide.

I shut myself out from the world so I can draw the
blinds
And I'll teach myself to fly.

'Cause I just discovered
Imagination's taken over.
Another day without a lover,
The more I come to understand the touch of my hand.

There's a world undefined in my body and mind.
I won't be left behind. I'm already here.

'Cause I just discovered
Imagination's taken over.
Another day without a lover,
The more I come to understand the touch of my hand.

'Cause I just discovered
Imagination's taken over.
Another day without a lover,
The more I come to understand the touch of my hand
