Your hands are tied behind you back
My ear find comfort in the wall
I hear you scream, and I am helpless

The walls are closing in on me
As my eyes roll to the back of my head
You're a savage, and I am going insane(x2)

Buildings falling
Bridges burning
Watch your step. don't fall behind(x2)

Burn as you grip my arm
Searching for a way out
Burn as you grip my arm
Searching for a way out

Take my hand, it's only a matter of time (x4)

We Always Die Alone
(LAY ON YOUR BACK. HOLD YOUR BREATH)
