I am in a world without you
On the week-end, in the afternoon
I went to the cinema, alone
I saw this film about
A young and beautiful
Girl and
A man who looked very sad
They fall in love
And then they die
As I finished watching it
I wept a bit
In this world
Without you

I am in a world without you
On the week-end, in the morning
I wrote a letter, alone
With blue ink
And small characters
I wanted to make you feel
The season change through my eyes
As I finished writing it
I wept a bit
And then I locked
The drawer
In this world
Without you

I am in a world without you
On the week-end, at night
Had some pills and slept
Had a short and beautiful
Dream
And when I woke up
I wept a bit
In this world
Without you
In this world
Without you
