-----  
Talking like a kid  
Walking like a kid  
Biting your nails like a kid  
Being selfish like a kid

Favorite food is like a kid  
Eating like a kid  
Having likes and dislikes like a kid  
Becoming whimsical like a kid

With a sulky face  
You're so quiet  
Then talking away  
It seems endless  
Being called something  
Like holden caulfield  
You're the type who'd be happy  
Hearing that

Loving tv like a kid  
Loving games like a kid

Telling lies like a kid  
Suddenly crying like a kid

That's fine as it is  
Somehow everyday  
Making a living  
Doing what you like  
Appearing on tv  
Appearing in magazines  
Releasing records  
Becoming famous  
If you can make living on playing  
That's fine as it is  
If you make it to the airplane,  
That's fine as it is  
That's fine as it is

Putting on kids clothes  
Needing attention like a kid  
Wasting money like a kid  
Loving to take things apart like a kid

Always being pampered  
By someone  
Always loving to  
Play loud with someone  
Pushing the accelerator  
And speeding up  
Making a mess  
Of your hotel room

That's fine as it is,  
Somehow everyday  
You make a living  
Walking a tightrope  
Appearing on tv,  
Appearing in magazines  
Becoming rich  
Being in scandals  
If you can make a living by playing,  
That's fine as it is  
If you show up to the party,  
That's fine as it is  
If you're paying taxes,  
That's fine as is  
If you make it to the airplane,  
That's fine as is  
That's fine as is
