-----  
And though  
I wish you  
Were only  
Mine

And though  
I wish you  
Would call me baby  
All the time

And though  
I wish you  
Would hold  
Me tight

You don't  
Seem to realise

Baby  
Hold me tight

Don't talk  
Just look  
At me

Go dancing  
All night  
In a sixties  
Dress

And then  
Let's get  
Away from this party  
Just the two of us

And though  
I wish I was  
Your only lady

And though i  
Wish I was  
Forever your  
Baby

I want to  
Know the  
Secrets of  
Your gaze

It seems  
After all  
That you  
Make me crazy

Even if it's  
Just a whim

It's alright

Whisper softly  
That you like me

And  
I know  
Time will come

When all  
Is said and  
Done

We'll just kiss  
The time  
Will come

Come to me  
Come to me  
Right now

If we're  
Together  
Forever

I am  
Your baby  
Only yours
