---

I slipped and fell  
On a banana peel  
It really  
Hurt a lot

Even though everyone  
Seemed melancholy  
They pointed at me  
And laughed

Look here  
It seems it's only at times like this  
That everything in the world  
Goes well

Even when I was  
Abandoned by my girlfriend  
Everyone laughed  
Whenever they saw me

Look here  
It's only at times like this  
That everyone in the world  
Is wrapped in happiness

Laugh  
At me  
Laugh  
'til your sides split

I slip on a banana peel  
One more time  
And everybody  
Looks back at me

Surely

It's times like this  
That everything in the world  
Goes well

Laugh  
At me  
Laugh  
'til your sides split  
It's only at times like this  
That everyone in the world  
Is wrapped in happiness

Laugh  
At me  
Laugh  
'til your sides split  
Laugh
