In the morning when I wake
I get a melancholy feeling
But I take a shower
And forget

I pass the time
Choose a necktie
An everyday guy
In the mirror

From the office
I make a call to her
Why am I able

To say goodbye to you?

The night
Makes us sad
But probably, come 2 o'clock
We'll forget

Let's drive
To distant heaven

Distant heaven
Terribly distant heaven
