-----  
Ok I get the picture  
I'm really fed up  
This doesn't have  
Anything to do with you

Women are extremely  
Difficult animals  
I'm trying to be careful but  
That is another story

Can't you understand  
Our love is over  
No, thank you very much  
Get real, honey

Women are extremely  
Difficult animals  
I'm trying to be careful but  
That is another story

I can't help but think  
That any man in the world  
Would be a better choice  
Than you

Go ahead and do it  
Whatever, darling  
Honestly my dear  
I don't give a damn

Women are extremely

Difficult animals  
I'm trying to be careful but  
That is another story

Although any man  
On earth would be  
Less of a pain in the neck  
Than you  
We're still together  
Now  
That's right

Women are extremely  
Difficult animals  
I'm trying to be careful but  
That is another story

Wake up and smell the coffee  
I don't love you anymore  
On top of that  
I've had enough for today

Women are always  
Difficult animals  
I'm doing my best here but  
I am always like this

That's right
