Uso tsuki na otoko no ko wa

Mayonaka ni arawareta

Angel ni koi wo suru

Angel wa honto wa ne

Ai no kuni no spy na no

Shiranai no wa anata dake

Futari wa mitsumeau

Ongaku ga tsuzuku kagiri

Nee ongaku wo tomenaide

Nee darlin' of discotheque

Uso tsuki na otoko no ko to

Angel wa konya dake

Koibito no furi wo suru

Futari wa aishiau

Ongaku ga tsuzuku kagiri

Nee ongaku wo tomenaide

Nee darlin' of discotheque

Uso tsuki na otoko no ko wa

Mayonaka ni arawareta

Angel ni koi wo suru

Ongaku ga nariyamu to

Angel wa mo inai

Sayonara mo inai no

Futari wa aishiau

Ongaku ga tsuzuku kagiri

Nee ongaku wo tomenaide

Nee darlin' of discotheque

A guy who lies a lot

Shows up at midnight

And falls in love with an angel

But actually darling

You're the only one who doesn't know
The angel is a spy from Loveland

The angel and the liar lock their gazes
As long as the music goes on
Please don't stop this music
Please darling of discotheque

The hypocrite and the cherub
Pretend they're lovers
Just for tonight

And they make love
For the duration of a song
Oh don't stop the music
Oh darling of discotheque

The impostor puts up an appearance
In the middle of the night
And falls in love with an angel

But as soon as the music stops
The angel vanishes
Without saying goodbye

They make love
As long as there's music
Oh please don't stop playing
Oh please darling of discotheque
