-----  
The only thing  
We say to each other  
Everytime  
Is goodbye  
(even though  
It's just after  
We kissed softly)  
We like to repeat  
Sad words to each other  
We like to repeat  
Our sad adieus  
To each other

When are we going  
To stop  
Hurting each other  
So pointlessly?  
We remember  
That day  
When we kissed  
Softly  
We remember  
Something important  
Some important words

We keep missing each other  
Like a revolving door  
That goes on spinning  
There's here and there's yonder

Someday  
You will  
Experience  
A happy love story  
Till then  
Sayonara

We keep repeating  
Sad words to each other  
We keep repeating  
Sad words to each other

We don't realise  
It's like a revolving door  
That keeps spinning  
There's here and there's yonder

Someday  
You and i  
Will meet  
Again  
Till then  
Farewell
