it's strange but
Last night for the first time
I understood
Ooh yeah babe
I love you
All of a sudden
I realised

I told myself
(swollen eyes when i woke up
Staring from the looking glass)
Ooh yeah baby
Everything is going
To be perfect today
Ooh baby
Yeah baby
I'm going to confess
My love for you today

We've always been
The best of friends
The two of us act as if we were
Friends or siblings
Childhood friends as it were

Take yesterday for instance
We were together
And as usual
We fooled around like mad

Just like
Kids

As i was
Brushing me teeth
As i always do
After midnight
It suddenly came to me
I suddenly
Understood it all
That i
Love you

It's strange but
Last night
I fell in love
Ooh yeah baby
Today
Is my
Lucky day

I'll take my time
Get all dressed up
Gather all my strength and
Ooh yeah baby
I'm sure that today
Ooh baby
I'll say it right
Yeah baby
I'll tell you
About
My love

I'll be thorough
I'll be serious
I'll pull the right face
But i'm sure
That i'll feel embarrassed
And burst out laughing
Because it's so
Unbelievable

You must
Have felt
And thought
The same
About us
Haven't you?
Tell me the truth --
You've known for a long time
We were bound

To be together

We've been
Such good friends that
Being lovers
Won't be
Easy
Let me be frank
I feel embarrassed
Suppose we'll have to
Make a bit of an effort
Hey hey

It feels strange
Today for the first time
I understood
Ooh yeah baby
I love you
All of a sudden
I realised

I'll cast a spell
And in the end
Have my wish come true
Ooh yeah baby
When we get together
Ooh baby
I'll speak my mind
Yeah baby
I'll find a way
To say what i have to say
My love for you
