Happy sad

you're happy and
Then all of a sudden you're sad
You are
So bizarre, honey

If you
Pull this
Moping face on me
There's nothing more to say
You fell in love

With someone again and
Got dumped didn'tcha

Happy sad
That's some nickname you got
You're always standing
In a sulky pose

The record we got
And listened to together
Last night
Had this boring love song on
Side one and this depressing
Jazz song on the other side

The record player goes on
Spinning in the night
Some soul music
Makes me feel like dancing
It goes on and on and on
Forever
Happy sad

If i'm with you
I'll always be
Happy sad happy sad oo-oooh
If i love you
I'll always be
Happy sad happy sad oo-oooh

Hey, are you crying? no!
You're laughing
You're just
Like rainy weather
Honey

Now don't pull this
Sad face
There's nothing
Left to say
After all
The fun you had
Now you're depressed

The record player goes on
Spinning in the night
If you don't want to dance
I'll dance by myself
Forever
Happy sad

If i'm with you
I'll always be
Happy sad happy sad oo-oo
If i love you
I'll always be
Happy sad happy sad oo-oo

The record player goes on
Spinning in the night
Some soul music
Makes me feel like dancing and
Suddenly ends

---(overdose)---

Forever
Happy sad
