If you don't have money
There's no need to cry
Don't pull this face
Like everything's so bad
Kissing
Making love
And just laughing
Are still free

Like a flower needs water
You and i
Need a spoonful of love
In our lives

On a national holiday
We have to spend the day
Making merry
On this day

You and I need love
Like we need sunlight
Like we need fresh water
We need love

Laugh as if you were happy
Wear fun clothes
Strike fun poses
Always laugh
Ha ha ha
If you've come this far
Laugh ha ha ha

Funky, too funky

If you're gonna pull
Such a depressed face
Just blow it all up

With dynamite

Like a flower needs water
You and i
Need a spoonful of love
In our lives

You and I need love
Like we need sunlight
Like we need fresh water
We need love

Like a flower needs water
You and i
Need a spoonful of love
In our lives
