-----  
I kiss  
Your soft skin  
The soft skin of  
Your chest and  
Our love affair  
Our love triangle  
Begins

You, beautiful you  
And the two of us  
We love each other  
Love  
Is triangular

Sinful  
And sweet  
Pleasures (\*\*)  
They make you shiver  
I got too  
Carried away

The lewd  
Scars  
On your back  
He made them  
Love  
Is triangular

Sinful  
And sweet  
Pleasures  
They make you dizzy  
I like it  
When it hurts too

Whisper softly  
Whisper me lies

My earlobes  
Are burning  
Freeze them

Sinful  
And sweet  
Pleasures  
They take away your hopes  
I love you so much  
I don't want to see you again

They make you  
Shiver  
And dizzy  
Shiver  
And dizzy
