Mellow mellow mellow mellow

If it was a clear day,
We'd have a fantastic picnic day
Will it rain? that'd still be fun
Under the gentle shower
I'd play with you
And hey, we'd kiss

I listen to the radio in the wind
Or to my favorite cassette tape

When I'm with you
Any sound I hear
Is like a symphony

Our ice cream is melting
But so what, we're in love
This feeling of love is mellow
Mellow mellow mellow mellow

Playing in a boat on the water

Don't you want to play all day?

The splash sparkles
We talk in whispers
At least, will you propose?

Our ice cream is melting
Into slush
I'm too mellow to whistle
Mellow mellow mellow mellow

Maybe
Today is

The happiest day
Of our lives

Our ice cream is melting
We're head over heels in love

This feeling of love is so mellow
Mellow mellow mellow mellow
