When the angels smile
Love begins
As the angels smile
Love is alright
It will be alright

This morning
Just before I woke up
I had this short dream
I can't remember it
Very well just in flashes

Those angels whispered
Whispered in my ears
Wondrous love words
I thought I knew from somewhere

It is a bright
Morning
Just like all the others but
I sort of feel different
For no apparent reason
I'm just happy
It's like today
Is the day
To begin a new love

When the angels smile etc
Love begins
When the angels smile
Love is alright
It will be alright

This strange hunch
In the new morning
This wonderful hunch

As the phone rings
I can tell from the sound
It is you
Some strange news

You whisper
In my ear
Wonderful love words

I'd been waiting for

In the looking-glass

I'm putting on

This brand-new

Shirt

I don't know why

I like myself today

More than usual

It's like

The first day of

A new

Season

When the angels smile

A new love begins

As the angels kiss

Two people make love

The camera goes on

A strange hunch

In a new morning

A wonderful hunch

In the light

I'm hugging

Myself

Today

Don't know why

I feel like crying

It's just like

The beginning of

A new love today

Like that dream

I once saw is now

Becoming reality

When the angels smile etc

Love begins

When the angels smile

Love is alright

It will be alright

On this new morning

A strange hunch

A wonderful hunch

A new love
