-----  
We like  
Each other so much  
We're like children  
Honey

Always laughing and screaming  
Tickling hugging kissing  
Being lovers  
Isn't easy

Always together  
We are together  
Forever  
Together

Always together  
Everywhere together  
Forever  
Together

A melty kiss  
Just like chocolate  
Lovers are like that  
Sometimes

Even without money  
We're happy  
Let's have something to eat

Let's dance till morning  
Somewhere where there's lots of people

Our life is endless fun  
Till when  
Is this happiness gonna last?

Nobody knows  
What the future reserves us

But for the time being  
We'll be together  
Forever  
Together

From friday night together  
All the time

Saturday afternoon  
Saturday evening  
Together

Sunday too  
Together  
Forever
