Always,
You're absorbed in music,
You seem so happy, huh?
All day long
Inside your head
That's all there is, huh?

Always,
You're absorbed in fashion,
Looking childish
All day long
In front of the mirror
Posing

Well, I guess it's okay
That it's that way.
Even if I think
Of other important things
It's nothing

Let's be adult
Let's be adult
Let's be adult
Hey, let's be adult!

Always,
You're absorbed in work,
You poor thing
All day long
You keep working
You're so cranky

Always,
You're absorbed with your sweetheart,
You want her but can't have her
All day long
Inside your head,
That's all there is, huh?

Well, I guess it's okay
That it's that way.

Even if I think
Of other important things
It's nothing

Let's be adult
Let's be adult
Let's be adult
Hey, let's be adult!
