Service
Lip service
Whispering
A discourse of love

Service
Spreading through
The mouth
A sweet smell
Making me numb

To tell the truth
I don't need you to love me
Just a little service
The real thing is
Just so boring
Some service with you
Together until morning

Service
Around the mouth
Whispering
Sweet and
Sticky words

Honestly, it's alright
Even if you don't love me
Just a little service
The real thing is
Just so boring
Some service with you
For a while, until morning

Words are
Just words
Just service

Honestly, it's alright
Even if you don't love me
Just a little service
The real thing is
Just so boring
Some service with you
Together until morning

Honestly, it's alright
Even if you don't love me
Just a little service
The real thing is
Just so boring
Some service with you
Together until morning
Let's do it again
