-----  
Good evening everybody  
Tonight's party is  
Dj konishi yasuharu's  
Thank you  
For dropping by  
The name of the party is  
Darling of discotheque  
Let's dance  
Till the break of dawn  
Thank you very much

Can you hear it?  
Can you hear it?  
Can you hear it?  
All this noise

Can you feel it in your stomach  
The sound of the bass  
Can you feel it in your stomach  
It feels good

Wherever you go  
There's music  
This city is brimming with it  
My favourite  
Music  
Wraps you up  
Completely

I cannot  
Hear your voice  
Come closer  
If you want to talk to me

At full volume  
At full volume  
Whispering  
Words of love

Wherever you go  
There's music  
This country  
Is brimming with it  
My favourite  
Music  
Changes you  
Completely  
Wow wow

Wherever you go  
There's music  
This world  
Is brimming with it  
My favourite  
Music  
Is noisy  
And funky  
My favourite  
Music  
Will change  
This world

One day  
It will change it

(it is ridiculous to think  
That music will change  
The world -- it's impossible)

Can you hear it?  
Can you hear it?  
Can you hear it?  
All this noise

At full volume  
All night  
It will wrap up  
Your body  
And take you  
To heaven
