This recording...
One two
One two one two

I have fallen in love
Many times
Love always begins unexpectedly
Like a lie

Love at first sight
Unrequited love
All sorts of love
They do nothing but
Ticke your heart
The same thing over and over
And though I should know better

I fell in love again
Yeah I fell in love
Again
With you

Through the window
I can see the city lights
I want to listen to your voice
I miss you so much

Couldn't sleep
Waited for the break of dawn
It's been a long time

Since I last felt this
The whole world
Shines in this new morning
It shines
Because I met you

I'm in love again
I fell in love
Again yeah
In love
Woo woo

I've fallen in love
Many times
All sorts of love
Love at first sight
Unrequited love
It always makes
Your heart ache
So I had decided
I would never
Fall in love again but

I fell in love again
I'm in love
Again yeah
In love
With you
With you
With you
