Kuru made

When the sun
Is high
I get up
From
My bed
I play
My favourite record
The volume turned down

Drink
A glass of fresh water
And give
The cat
Some milk
Turn off the sound
Of the news on telly
Which I hate

Some day
Eventually
Summer will come to an end
And if
We part
Even so
I will survive
To see another autumn

I will survive
On my own
I will survive

God
Is testing
Me
This is a period
I have to go through I guess
My favourite
Record
Always
Ends too fast

Some day
Eventually
Summer will come to an end
I'll put on
A new shirt
And I will live
My
New life
I will live
All by myself
I will live

God
Is testing
Me
It is a period
I have to go through I guess
I won't be listening
To my favourite
Record
For quite a while
Until
Another summer
Comes
