-----  
I am so  
Sad now that  
My tears  
My tears  
My tears  
Won't stop  
Since we broke up  
I cannot see anything  
My eyes  
My eyes  
See all black

I should've known you were  
That kinda man who will  
Change his mind all the time  
But I believed that you  
Liked me and only me  
That summer day  
After we kissed  
Under the burning sun  
And you held me in your arms  
All that was just a game mon amour

Alone and having nowhere to go  
I wander in the streets  
So many tears that I can't  
See anything

You are unforgettable

That's why my heart is broken  
Although I must say that  
The end of our love, I saw it coming  
That summer day  
Under shooting stars  
You whispered  
Sweet words of love to me  
I won't forget mon amour

Alone and having nowhere to go  
I wander in the streets  
So many tears that I can't  
See anything

I shoulda known you were that kinda man  
Who changes his mind all the time  
All those beautiful memories  
Fade out  
That summer day  
In your arms  
I shivered as I dreamt  
Sweet dreams  
Adieu mon amour

Alone and having nowhere to go  
I wander in the streets  
So many tears that I can't  
See anything

Mon amour  
Mon amour
