The phone starts ringing in the morning

Somewhere a child starts crying

Why are you crying

A receipt was sent

My appointment was cancelled

And finally you leave home

Why am I so sad
If we love each other so much
Why is the world so sad
I have a stomachache again

On the phone mother complains
Why are you so cold of late
Can we talk about this some other time

Why am I so sad
If we love each other so much
I always remember
You were so young
I wasn't so tired
We dreamt together
It's true that
We're not that old now

Brother on the phone begs me
Could you spare me some money
Can we talk about this tomorrow
Tomorrow is impossible
Tomorrow I have to play golf
