La la la la

Sometimes
I call you in the middle of the night
And force you to go out with me
Let's go somewhere now
And dance together till morning
That's it, those born in march
Are very unpredictable

Sometimes
I cry in the middle of the night
Just to put you in a hard situation
Come on cheer up
I'm just being childish
That's it, those born in march
Are hard to handle

If I drink a bit too much
And lose my senses
Don't say anything
Just let me sleep

Come on let's dance
If you can't dance
You might at least try to smile
Love me more
Pour me more drinks
More more
More more more

Even if I drink a bit too much
And end up unconscious
Wake me up gently
Tomorrow morning
Don't say anything

Sometimes
Out of the blue in the middle of the night
I want you to kiss me
You who more than any one
Love me
That's it those born in march
Believe in love at first sight

That's I'm nata di marzo
I'm always in love
That's it I was born in march
And I'm yours

La la la
