What time is it?

Can't seem to find my watch.

Shall we eat?

Yes! I'm hungry!

What shall we eat?

There is nothing to eat.
We even ran out of cigarettes.

What's new?

Nothing much.

Are you sure?

Positive.

What shall we do now?

There is nothing to do.

Hello?

Who's there?

Wrong number

There is nothing to do.

Nothing?

Zilch.

So then

What shall we do?

Shall we sleep again?
