We're an odd couple
We're smiling but
I think you're
Lying to me

It's sad
We pretend to love each other

For the first time in ages
On a sunday
When I didn't have to work
I was awoken
By the phone -- 'wrong number'
And there was nobody around

You're a kind lover
You smile to me
Even when
You're lying to me

It's sad
We pretend to love each other

For the first time in ages
On a sunday
When I didn't have to work
I called
An old friend
But he wasn't home

I turned on the telly
Just for the hell of it
Live sports was all there was

In the fridge
Old lettuce
Was all there was

I'm not going to ponder over
Mistakes anymore
There is still nobody
In this room
And I am not
By your side

It's sad
We pretend to love each other

It's sad
You are always
Hiding something from me

It's sad
We pretend to love each other

It's sad
I am also
Always hiding something from you
