-----  
There is a party at the house today  
That girl has a flashy "daisy look"  
Flower buckle and red kinky boots  
Navel-exposed baby jane  
Everyone longs to be her

That dancing girl is the princess of groove  
Her partner for tonight  
Is a head-spinning scarleeze ( ? )  
Crazy rave party  
Everyone longs to be her

Dance, dance, oh, doll-up party  
Heart-pounding boogie-woogie music  
Dance, dance, oh, doll-up party  
Heart-pounding boogie-woogie

There is a party at the house today  
That girl is a mechanical future girl  
Laser beam and silver 3-d glasses  
Contentedly-dancing sweet jane  
Everyone longs to be her

That dancing girl is a silicone queen  
Her partner for tonight  
Is a disk-flashing cdj  
Dangerous house party  
Everyone longs to be her

There is a party at the house today  
That girl has a flashy "daisy look"  
Flower buckle and red kinky boots  
Psychedelic go-go party  
Everyone longs to be her

Dance, dance, oh, doll-up party  
Heart-pounding boogie-woogie music  
Dance, dance, oh, doll-up party  
Heart-pounding boogie-woogie
