On a winding stairway
To heaven
The bluebird sings of love
Beyond time
2000 light-years
Lovers swear

Lay a garland
On your hair
Our love's eternal
Under the starry sky
We prayed
That star is aquarius
Love and peace forever

On the escalator to heaven
Chasing the bluebird
Let's promise to love for 2000 years
Lovers swear

You lay a bead
Necklace around me
Our love eternal
In the lake
We are naked
Hold me, aquarius
Love and peace forever

Eternal children
Dreaming mushrooms
Eternal lovers
In our bedroom in the air
Turning backwards
The merry-go-round
Our love forever
A mysterious fragrance
Envelops us
That man is aquarius
Love and peace forever

Awakin' from a dream
I feel like crying
The bluebird will disappear
Beyond time
2000 light years
Lovers swear

Lay a garland
On your hair
Our love's eternal
Under the starry sky
We prayed
That star is aquarius
Love and peace forever

Eternal children
Dreaming mushrooms
Eternal lovers
In our bedroom in the air
Our love forever
That star is aquarius
Our love forever
Hold me aquarius
Our love forever
That man is aquarius
Our love forever

That star is aquarius
Our love forever
Hold me aquarius
