-----  
Night makes us  
So sad  
Behold  
The world is asleep

Oh please  
Gods made of bronze  
Gods made of marble  
Oh please heavens  
Distant heavens  
Please answer me  
Why does love  
Why does love end?

Why is it that  
Though I'm with you  
I'm so sad  
Night makes us  
Blue

I kiss your  
Fountain

Distant heavens

Such a wonderful  
Thrill  
It feels  
Like love

Behold  
Something is shining  
In the night sky  
I lost sight  
Of something
