-----

Playboy tonight  
Why don't you invite me  
To go somewhere?  
Playboy you know  
I'm at home  
Watching telly  
Now  
On saturday I want to  
Go to a party  
And have a blast  
Dress up to the nines  
And be the centre of attention

Playboy tonight  
I am your  
Girl right?  
Be a gent and

Escort me  
Ok?  
On saturday at the party  
I want us to be  
The centre of attention  
Arm in arm as if we were in love  
I want to be the talk of town  
The two of us the talk of town

Playboy playgirl  
Why don't you go out and have some fun?  
Playboy playgirl  
Aren't you going to invite me?

Playboy tonight  
You're going to dance with me  
Till morning right?  
Playboy you will only have eyes  
For me right?  
I want to sneak out  
Of the party  
With you  
I want to sneak out with you  
And then I want you to  
Kiss me  
Kiss me kiss me kiss me  
I want to be kissed

Playboy playgirl  
Let's go out for some fun  
Playboy playgirl  
Won't you  
Call me?

On saturday  
At the party  
I want to be the noisiest one  
Sneak away  
With you  
And suddenly  
Be kissed  
Kiss me kiss me kiss me  
I want to  
Be kissed  
I want us to be so in love

Playboy playgirl  
Come on let's go out for some fun  
Playboy playgirl  
Won't you invite me?  
Playboy playgirl

Let's go out for some fun  
Playboy playgirl  
Aren't you going anywhere?
