La la la la

My doctor asked me
If this summer
I am going to take a holiday
If I am going anywhere
'i don't care
Where you go
As long as you promise me
Not to sunbathe'

As a matter of fact
I don't care for sunbathing
But I'll take some days off
I don't care for working
I don't care for staying home either

Nor going to the countryside
Nor to the beach
I don't care for going anywhere

This summer
I'll just stay in bed

In my hotel room
I'll just vegetate and sleep on

My doctor asked me
On a date
'let's take a ride'

But I don't care for rides
Nor do I care for dates
I don't care
For eating out
I don't care
For answering the phone
Nor watching telly
Nor having to put on make-up
Nor brushing my teeth
I don't care for falling in love
I don't care
For doing anything

I'll spend
This summer
Vegetating
In my hotel bed
I don't want
To see people
I'll just
Vegetate and sleep on

I'll spend
This summer
Vegetating
In my hotel bed
Waiting for
The room service
I think I'll just
Sleep a bit more

I'll spend
This summer
Vegetating
In my hotel bed
Waiting for
The room service
I think I'll just
Sleep a bit more
