-----  
Trying to find a way in the crowd  
We walk in silence  
In this town in september  
The early afternoon sun  
Still too bright

I want you to walk slower  
And put your arm around my shoulder  
But you mind  
What other people will think  
And won't draw closer

\*i want you  
To look at me  
That glittering summer  
Was supposed to  
Have changed us  
I want you to remind me of  
That sweet breeze\*

I want you to walk slower  
And put your arm around my shoulder  
But you won't  
You mind other people too much  
And won't draw closer

Repeat \*\*
