-----  
I think I'll give a break to love  
For as long as it's summer  
You know like a cold shower  
On all these rumours  
As I pass by I salute  
The ladies in the sun wearing hats  
'g'day, ma'am, how d'you do'

Some hype summer gossip  
Spend august shut up indoors  
You know have breakfast  
In bed  
Lemon or milk?

Worried about what is to become of us  
Even on telly at seven o'clock news  
After those rumours you know  
I haven't touched a thing

You know the breakfast  
Served in bed  
Is still there nobody touched it

Worried about what is to become of us  
Even on telly at seven o'clock news  
After those rumours you know  
I haven't touched a thing

What is to become of us  
Some hype gossip  
And the two of us always
