Sweet seventeen...

When I saw you
Straighten your hair
With your finger
It felt like
I knew that
Gesture
From somewhere

But I couldn't remember where
I couldn't remember
The torn picture
And then

Seventeen
Seventeen
I remembered you
Seventeen
Seventeen
Your warped image

It felt like
I knew
That vacant
Stare
From
Somewhere
I saw it somewhere
I'm sure
A long time

Ago

But I couldn't remember
What you looked like
At that time
I mean

Seventeen
Seventeen
I remember you
Seventeen
Seventeen
Your warped image

I didn't want
To meet you ever again

The way you
Straightened your hair
With your finger
And the way
You left me

Seventeen
Seventeen
I remember you
Seventeen
Seventeen
Your warped image
Seventeen

Sweet seventeen...
