When I think of you

My heart aches

When I ask my mother,

She says "maybe you're in love"

Everyone in this world

Loves somebody

My father and mother

Are always fighting, but

Weren't they in love a long time ago?

What about now?

My cat occasionally

Leaves the house for somewhere

Is he in love?

When you fall in love
Your heart will ache
But I know nobody
I hope someday it will be me
