a', from behind the shadow of long hair
tells an everyday lie
they pry out each other's secrets

a false pose,
a false rule
romance is
camouflage
a pose of love,
a rule of love

up until evening, I knew nothing

this pretty swedish girl
when I saw her vague expression surface,
I noticed the agent behind her
however, it was too late
I knew too much

a', wearing a red dress
runs along the highway of betrayal
the two are puzzled by each other's conclusion

a false pose,
a false rule
now let's just kiss
