-----  
You can see through the window  
The lights from  
The skyscrapers  
It looks like  
A starry  
Night  
It looks a bit like that

If I am not  
Wrong  
When I was a kid  
Alone  
Dad and mom  
Not home  
As I looked  
Outside the window  
The stars pulled me out  
And I flew through the sky

Through the window  
I could see  
The darkness of night  
I feel like  
Listening to your voice again

If I am not  
Wrong

The first time we met  
It was a very  
Starry night

The beautiful people  
Who live in the beautiful star  
The people I long to meet  
From the beautiful  
Star  
Will remember me  
Some day

From the window  
You can see  
The skyscrapers' lights  
Just like  
A starry night  
I once saw

The beautiful people  
Who live in the beautiful star  
The star I miss  
The star far away  
Those beautiful people  
Will remember me  
Some day

(hosokawa toshiyuki:)  
Hi everybody  
Did you have  
A good time?  
This is the end  
Of this record  
This cd  
Does not have  
A hidden track
