-----  
It's a little after 10  
In the morning  
I am all by myself in the bath  
I don't have a single  
Plan yet today, though

I'll take my time  
Today I'll shampoo  
I'll wash away everything  
As best as I can

Why is a girl as beautiful  
As you crying?  
There is no girl  
As wonderful as you anywhere

It's 3 in the afternoon  
And there's no end  
I saw the same dream as always  
I unexpectedly met with the familiar  
Face of a friend  
And said goodbye

It's a sunny day and the wind is  
Somewhat colder than yesterday  
I was just staring vacantly  
At the city through the window pane

Why is a girl as beautiful  
As you crying?  
There is no girl  
As wonderful as you anywhere

During really sad times  
I had better cry as much as I want  
But I don't even know  
Why I am crying

Why is a girl as beautiful  
As you crying?  
There is no girl  
As wonderful as you anywhere

It's a little bit past midnight  
I am all by myself in the bedroom  
I can't sleep so I call someone  
I can sleep now, though
