I started hating
Everything about myself
On a sunday
Afternoon
A bit past two-thirty

Spent a long time
Locked up in
The bathroom
Shaving staring at my own face

I got older
I look like a crook
I look
So tired
A vulgar man

Stares back at me
Such a vulgar story
Such a vulgar
Sunday afternoon

I gave up
Doing anything

And then
I had nothing to do
On a sunday afternoon at 5:30 pm

I was sitting at
The outfield bleachers
Watching a boring
Game

When I fall in love
I start thinking about
The end of
Love
This is a day
To remember

Our vulgar couple
Such a vulgar story
Such a vulgar
Sunday afternoon

I locked myself up
In the bathroom
Realised
Nobody wants
To see me

I suppose this is good-bye
As I finished shaving

A vulgar man
A vulgar story
Were staring back at me
On a vulgar sunday afternoon

I am
Such a boring guy
Such a vulgar story
Such a vulgar
Sunday afternoon
Nobody wants
To see me
