-----  
I didn't notice till I looked  
In the mirror  
This morning  
I'm falling in love with you  
I'm falling in love with you

Where am I going  
Dressing up?  
Yes, I'm going  
To see you  
Baby, this town is always a parade  
Baby, so I am following

In this world  
There are a lot of sweet  
And catchy things  
Wanna hug  
Wanna be happy  
Don't you want to hold them close?

Hey, the revue is starting  
Hey, don't be late  
Hey, the revue is starting  
Hey, don't forget

Perhaps you noticed  
When you  
Looked at me today  
You're fallin' in love  
Fallin' in love with me

On tv I saw  
And old movie  
It was like  
A musical revue  
Baby, the town is always a parade  
Baby listen! don't you hear it?

In this world  
There a lot of happy  
And lucky things  
Wanna kiss  
Wanna be glad  
Don't you want to hold them close?  
Don't you want to hold them close?

Hey, the revue is starting  
Hey, don't be late  
Hey, the revue is starting  
Hey, don't forget

In this world  
There are a lot of  
Sweet  
And catchy things  
Oh lord,  
Don't rain  
On my parade  
But even if there is no  
Happy  
Or lucky things at all  
In this world  
You make me  
So happy  
Don't you wanna hold them close?  
Don't you wanna hold them close?

Hey, the revue is starting  
Hey, don't be late  
Hey, the revue is starting

Hey, don't forget
