-----  
I love you

We two always  
Dream a different dream  
Even though they sleep  
Arm in arm in the same bed

Do you remember the time  
We had a big, loud fight  
In the kitchen late at night?

What happened after that?  
Did we just make up, only that?  
What do we do from here?  
If we kiss  
Will it all be better?

We two will always  
Take life as a game  
Tell me you love me  
Right now, you can lie

Do you remember the time  
We kissed the night away  
Under tokyo tower?

What will we do on the weekend?  
Will we just watch tv  
Together?  
What do we do from here?  
If we make love  
Will it all be better?

Though the tv is on  
We two are always so  
Bored we could die  
Even though we're in love

What do we do from here?  
If we make love  
Will it all be better?  
Really, what will we do?  
Just watch tv  
Forever?
