What are you
Thinking?
I don't know
Even when
I ask you
That

You just kiss me
And leave it at that
It's been that way
Since the day we met

Nobody knows what the
Future reserves us
Even when we are in
Each other's arms
If I wake up from
A dream I want
To cry and look at you

And today somewhere
Someone will meet
Someone and
Fall in love
And tomorrow
Somewhere
Two lovers will
Part
Like a lie
Sayonara

What are
You thinking?
I don't know
And I gave up
Asking
Questions
Don't make up
For conversation
If they're unanswered

And today somewhere
Someone will meet
Someone and
Fall in love
And tomorrow
Somewhere
Two lovers will
Part
Like a lie
Sayonara
Like a lie
Sayonara

I don't know what the
Future reserves us
Even if I try to think
Lying on my bed

Even if I try to read
The horoscope instead
I can't find an answer

Ok so I'll get off my bed
And drive my car
On my own
Till I find a high noon
I'll bring my
Orange bikini
On my own
Till I find a high noon
Step on the accelerator
Till I find the sea
On my own
Till I find a high noon
I'll become someone new
Someone nobody will recognise
On my own
Till I find a high noon

From tomorrow it's sayonara
To you baby
From tomorrow it's sayonara
To my old self
